Import ASU Library Tutorials from Canvas Commons

To access ASU Library Tutorials from Canvas Commons and add them to your Canvas course:

1. From your Canvas course home page, click on the Commons link in the left menu.

2. In the search box, type **asu library tutorial**; turn OFF Show Public Resources.
3. From the list of ASU Library Resources, click the title of the item that you would like to add.

4. From the page that shows the resource details, click on the course that you would like to add the item to, and then click **Import into Course**.
5. Go to the course that you just added the item to, and click the **PLUS** sign next to the module that you would like to add it to.

6. From the Add Item menu, choose **Page**
7. Choose the tutorial page that you added in the previous step and then choose **Add Item**.

8. The item will be added to the module as a new page.
