ASU Library Career Research Module - Canvas
Self-enroll Instructions

The Career Research Module contains videos and activities that allow students to acquire skills to be able to utilize database resources for searching companies, and to gather information that will help them to successfully interview in a specific field.

Instructors can self-enroll in the ASU Library Career Research Module course using the following URL:

https://asu.instructure.com/enroll/E4KN34

The course is also in Canvas Commons. Instructors can import it into any of their own courses directly from Commons.
