Software Access Guide – ArcGIS Online
v.201810

The ASU Library Map and Geospatial Hub facilitates access to ArcGIS Online for ASU affiliates (students, faculty, staff). Follow the steps below to access ASU's organizational instance of ArcGIS Online.

(1) Join the Organization

- Request membership in the ASU ArcGIS Online organization.
  - Visit the ASU ArcGIS Online page.
  - Sign in using your ASURITE username and password.

Optional: Request Esri Academy (E-Learning), ArcGIS Pro, or additional extensions

- Visit the Map and Geospatial Hub Service Requests Form
  - Complete the form using your full name and ASU email
  - Select “Software Access / Online Training” as your question/comment type
  - Select the appropriate options for each of the desired additional
  - In the comment field, write a short note describing your request
- Your ArcGIS Online account will be upgraded with your selected options within two (2) business days

Note: Signing-on to ArcGIS Online

- Always use your ASURITE credentials to login to ASU's organizational instance of ArcGIS Online (asu.maps.arcgis.com).
- If you opt to login to ASU's organizational instance via the generic ArcGIS Online site (arcgis.com), you must select the option to “Sign in with Enterprise Login”.
• Enter the URL for the ASU ArcGIS Online organization by simply adding "asu" to the beginning of the URL.

• Use your ASURITE username and password to login.
